For more details see the Wishlist for Magento 2 extension page.

Wishlist for Magento 2

This tool collects data from all users' wishlists and shows which items were added the most frequently. Keep a close watch on what your customers demand and easily manage your products' popularity.

- Collect all customers' wishlists in one place.
- See how many popular items left in stock.
- Go to edit products right from the grid.
- Keep track of what items are liked the most.

——

Wishlists grid options
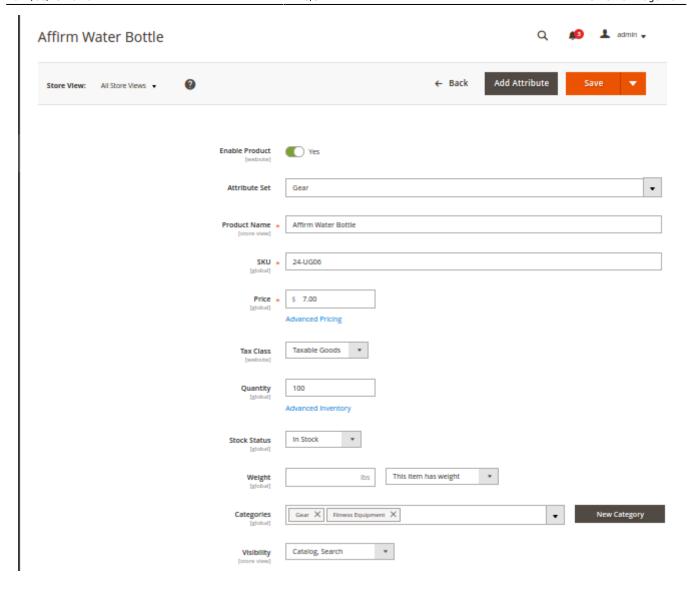

To configure the extension, go to: **Content → Whishlist**

Stock Qty - see how many items left in stock.

Count - see how many times the item was added to the wishlist.

Action (Edit) - you'll get to the product editing page:

Affirm Water Bottle
